Press Release
August 12, 2021

Incident Type: Structure fire.

Address: 595 Pine St.

Dispatch: 09:50 hrs

Under Control: 10:09 hrs

Resources: Engines 6,5,7, R.I.C. Companies Engines 10,4 Trucks 1, 6 Rescue 1, Engine 2, CRU, Car 1, ALS-3

Description of Incident: Caller reported seeing a lot of smoke coming from the attic of an occupied 3-story wood frame apartment building. First arriving companies confirmed a working fire. Three 1-3/4" attack lines were deployed to contain and extinguish the fire which was located in the 3rd floor bathroom ceiling area, with extension into the roof section of the building. Extensive Salvage and overhaul operations were performed to limit water damage to the remaining apartments not affected by fire.

Civilian Injuries: None

Emergency Service Injuries: None

Special Circumstances: Temperature was 90 degrees at the time of the fire. Although this was a 1st alarm response it should also be noted that at the time of this incident the only remaining MFD fire apparatus available was Truck 7, due to multiple emergency calls for service throughout the city resulting in the need for Mutual Aid from Bedford, and Hooksett to cover.

Fire Cause: Electrical

Estimated Dollar Loss: \$80,000

Incident Commander: Battalion Chief Bob Beaudet
